

Marine Insurance Course, Göteborg, 15-19 May 2006

The Marine Insurance Course 2006 was held at the Club head office for the sixth consecutive year, in mid May. 27 people, representing members, brokers, correspondents and re-insurance companies from eight different countries, attended the five day course. Club employees, all experts in their respective area, gave presentations covering the major aspects of Marine Insurance, such as P&I, Hull & Machinery, FD&D as well as re-insurance and loss prevention.

Dates for next Marine Insurance Course have not yet been set. Further information will be posted on the website in due time.

The Class of 2006, as well as a few Club employees, gathered outside the headoffice in Göteborg

The conference room provides an informal environment where questions and discussions about the various subjects are encouraged.

Senior Advisor Clas Brantmark, explaining the Club's Ship Manager Evaluation process to an intrigued audience.

Workshops are an important part of the Marine Insurance Course. The participants get the opportunity to, with guidance from a Club expert, solve a wide range of problems that claims handlers and underwriters are faced with in the Marine Insurance business today.
