PRIME MINISTER

To

The Minister of Equipment and Transport

Due to the complications and worsening of the health situation in India, South Africa and Brazil, our nationals are now prohibited from leaving the Republic of Djibouti for these three countries until further notice.

Passengers coming from or having made a transit through India, South Africa and Brazil will no longer be allowed to disembark on the national soil.

Also, I ask you to kindly immediately give the necessary instructions to the national authorities in charge of civil aviation so that they are responsible for communicating them to all companies serving the Republic of Djibouti

Given the emergency of the situation, the above-mentioned authorities are requested to immediately and rigorously apply this note.
