COVID-19 travel insurance

The following information was received from our correspondent on 07 September 2022:

QUOTE

Following recent announcements by the Maritime and Port Authority of Singapore (PMS 19 of 2022) and the Immigration and Checkpoints Authority (ICA), that “..those seeking entry into Singapore should be insured for at least S\$30,000 for any COVID-19-related cost...”, Spica Services has received numerous enquiries from Shipowners as to whether a P&I Club Certificate of Entry would suffice and if not, whether this would impact scheduled crew changes. This was followed by reported incidents of entry into Singapore being refused where P+I Certificates of Entry were presented, as specific Travel and Medical Insurance policies were not in place for crew members signing off.

Following exchanges with the MPA and ICA this Week, Spica Services are pleased to report that the ICA has today confirmed ‘.that the Certificate of Entry from the P&I Club can be recognized in lieu of travel insurance for non-vaccinated crew.’

Should you have any queries, please do not hesitate to contact Spica Services Singapore.
