UKRAINE

26 MAY 2021

Coronavirus, COVID-19

The following information was received from our correspondent on 26 May:

QUOTE

Here below we provide you the latest requirements on crew changes and crew repatriations from Ukraine during the period of COVID restrictions.

1. Crew changes are permitted in Ukrainian ports.
2. Crewmembers who arrive to Ukraine have either to keep valid COVID test or to pass testing in the airport with further isolation in the hotel for two days (awaiting for results of the test) Crewmembers who disembark from the ship may follow to the airport having negative COVID tests.
3. Disembarkation is allowed for sick or injured crewmembers. Quarantine authorities may require COVID testing.

In emergency cases ambulance take crewmembers to the hospital without preliminary COVID testing (hospital provides express testing on spot).
