Update on Russia-Ukraine

The following information was received from our correspondent on 3 March 2022:

QUOTE

Armed hostilities are still conducted in many regions of Ukraine. Heavy fighting take place near the cities Kiev, Kharkov, Mariupol. According to recent news large Russian forces landed near Nikolayev.

Nikolayev area may be one more hotbed of intense fighting. Some sources report that Kherson city is partly under the control of Russian troops. In Odessa the situation is more or less stable. Within the last three days Russian landing forces were expected in Odessa. But it still hasn't happened.

There are indications that Belarus troops are ready to cross Ukrainian north border.

It is absolutely obvious that in the circumstances **all Ukrainian ports are still closed for inward/outward passages.**

UNQUOTE

Members with vessels in or who are planning to call Ukrainian ports are encouraged to reach out to their local agents and Managers' offices in the region for further updates and advice. With the addition of recent Sanctions, members are advised to exercise particular care in performing due diligence on any trade to Russia or Ukraine. More information can be found on the sanctions section of the Club's website:
