#### **Notification updates dd. 28.02.2022 "Russia - Ukraine Conflict"**

Armed hostilities are still conducted in many regions of Ukraine. They also occur near the ports of Mariupol, Nikolaev, Kherson. In the area of Odessa Port, the situation is to a greater or lesser extent peaceful. In the next little while today, negotiations between representatives of Ukraine and Russia will begin in the area of the Pripyat River on the Ukraine - Belarus border.

**All the Ukrainian Ports are closed for inward/outward passages.** This decision is highly justified, given the fact that in this area three foreign vessels were fired shells at by Russian warships.
