Protection & Indemnity  
Insurance 2019/2020

*The following Clause is deemed to form part of any Policy in respect of Protection & Indemnity covers relating to a Swedish flagged vessel.*

### **The Swedish Club outbreak of war clause (P&I)**

1982-01-01

Should normal communications between Sweden and other countries be interrupted subsequent to the outbreak of a war which will greatly affect Swedish trade, commerce and industry, an organisation in the name of Svenska Transportförsäkringspoolen (hereinafter referred to as the Pool), formed by all the Swedish Marine Insurance Companies, will commence operations on a date to be decided upon by the Government War Risks Insurance Office.

Should this occur during the duration of this policy, the liability of the Association according to this policy will be transferred to The Pool as from the date upon which The Pool commences operations. The policy will then remain in force and subject to the same terms until 12 o'clock midnight on the thirtieth day of acceptance of liability by the Pool, unless it has been agreed to terminate the validity of the policy at an earlier date.

In the event of the liability terminating prior to the date indicated in the policy, the Assured is entitled to a refund from the Association of the excess premium paid. If on the other hand, the validity of the policy is to be maintained during a period for which no premium was paid, the Assured shall pay premium pro rata parte for this period.

When the above mentioned contingencies arise, it will be incumbent upon the Insured to notify the Association or The Pool without delay of the position and the voyage of the vessel.
