REF: PORT ALERT 01/AUG

Subject: URGENT - Note on Terror Alert at Mundra and Kandla ports (India)

Dear Sir / Madam,

We would like to draw your attention to the attached Port Circulars with regard to specific security advisory issued due to a possible terror alert at the Port of Mundra and Kandla by the Indian Intelligence agencies.

The port authorities, upon specific intel inputs by the security services have cautioned all Merchant Shipping operating in and around the Gulf of Kutch and in particular Kandla and Mundra ports on the possibility of underwater attacks by potential terror organizations.

While both the ports continue to remain fully functional for the time being, there is a heightened state of alert and Vessels which are already in and around the port area(s) have been alerted to maintain a sharp lookout, especially for boats and other suspicious craft or personnel in the vicinity.

Any suspicious activity should be immediately reported to the nearest Coast Guard station via VHF CH 16 or by Telephone to the Coast Guard's Operations centre on +91-22-2437 0772/73 or the Marine police through the Vessel's local agents.

It would be useful for Members to review their Charter party provisions in relation to possible delays which could possibly accrue out of the current situation.

Sub: SECURITY ADVISORY

Dear Sirs,

This is to inform all that input received from coast guard station that Pakistan trained commandos have entered Gulf of Kutch/Kutch through Harami Nala creek area, they are believed to be trained with underwater attacks. It is therefore directed to take utmost measures of security and prevent any untoward situation in Gujarat state. It is advised that all ships at mundra port take utmost security measures and maintain a vigilant watch.

All shipping agents and stake holders are directed to inform their vessels accordingly and report any suspicious activity to marine control station and port operation center immediately. Please note that mundra port is maintaining security level 1. Security measures have also been enhanced on the shore side of the port. All are requested to cooperate with the security accordingly.
