Changes to P&I Rules for the 2021/2022 policy year

Rule 2 – the word ‘direct’ is added to ‘in connection with’ to bring the wording in line with the wording of the Pooling Agreement.

Rule 3:1 - the section regarding ‘relatives’ is removed to harmonise the wording with the cover afforded under the Pooling Agreement. ‘Relatives’ are instead treated as ‘any other person onboard or in relation to the entered ship other than crew and passengers’ under Rule 3:7.

Rule 3:11 – the extent of cover for diversion costs is clarified.

Rule 7:2 - the phrase ‘unless otherwise agreed in writing’ is added as the provision in its current form, if read strictly, does not allow for cover other than for 1/4 RDC and/or in exceeding the sum recoverable under the Hull insurance of the entered ship.

Rule 7:6 – change giving effect to new scope for cover.

Rule 7:7 – the wording of the Quarantine rule is rewritten substantially to correspond with the cover provided under the Pooling Agreement. The need for harmonization of Club rules originates in the broad difference in scope between the Clubs’ rules that was highlighted through the cover questions arising out of the COVID-19 outbreak.

Rule 10:3 - the expression ‘in writing’ nowadays includes communications by email, facsimile and by other electronic means.

Rule 10:6 – language is added to clarify the effects of an alteration of risk. The expression ‘increase of risk’ is replaced by ‘alteration of risk’ to bring the wording in line with the Pooling Agreement and the language used in Hull & Marine insurance conditions.

Rule 11:3 – a minor linguistic adjustment and a clarification on the cover afforded to vessels performing services as accommodation units, hotels, and other types of non-marine activities. This change brings the provision in line with the terms of the Pooling Agreement on this point.

Rule 22 – minor linguistic adjustment in the English version of the rule

Rule 25 – minor linguistic adjustment in the English version of the rule

Rule 30 – minor linguistic adjustments bringing the English translation in line with the prevailing Swedish version of the rule. In respect of affiliated or associated charterers, the limit of cover is clarified to be in the aggregate to reconcile the wording with the cover afforded under the Pooling Agreement.

Rule 32 – minor linguistic adjustments bringing the English translation in line with the prevailing Swedish version of the rule.

Rule 35 – clarification that a third-party mortgagee may, with the agreement of the Association, be added on the Members’ policy as either a Joint Member or as a Co-assured. This brings the provision in line with the categories of assureds and their ensuing benefits and obligations as determined in the Pooling Agreement.

Rules for Protection & Indemnity Insurance 2021/2022

Amended as from 20 February 2021

CHAPTER I INTRODUCTORY

Rule 1 Definitions of rules and language

The Swedish wording of these Rules, of which this is an English translation, shall prevail in case of a dispute.

In these Rules the following words or expressions shall mean

Crew

Any person, including the Master, contractually obliged to serve on board the entered ship.

Ship

Rule 2 Nature of cover

The cover afforded by the Association is set out in these Rules subject to any special terms which may be agreed. The Member shall have the burden of proving that any claim against the Association results from a risk covered by the Rules.

The Member is covered in respect of liabilities, costs or expenses incurred by him in his capacity as owner, operator or bareboat charterer of the entered ship and arising out of an event during the period of insurance in direct connection with the operation of that ship.

Unless the Association otherwise decides the Member is only covered in respect of such sums as he has paid to discharge liabilities, costs or expenses referred to in Chapter II.

The cover afforded by the Association shall not include the deductible fixed by the Association or otherwise agreed with the Member.

The cover afforded by the Association shall not exceed the sum to which the Member would be entitled to limit his liability under applicable law on limitation of liability.

These Rules are subject to the Articles of the Association. Furthermore, the General Swedish Marine Insurance Plan of 2006 (SPL 2006) and Swedish Law in relevant parts to apply in matters not provided for in these Rules.

The Association may amend these Rules at any time during the period of insurance in order to avoid the Association becoming subject to any sanction, prohibition or adverse action by any State or International organisation.

The Association will process the Member's employees' and representatives' personal data in accordance with applicable data protection legislation and the Association's integrity policy. The Member undertakes to inform its employees and representatives of the Association's processing of their personal data and that the Member will transfer personal data to the Association.

CHAPTER II RISKS COVERED

Rule 3 Liabilities in respect of persons

Section 1 Injury, illness, repatriation and death - crew

- (a) Liability under the terms of a crew agreement or other contract of service or employment to pay damages or compensation for personal injury, illness or death of any member of the crew of the entered ship who is on board or proceeding to or from that ship.
- (b) Hospital, medical, repatriation, funeral or other expenses necessarily incurred in relation to any member of the crew who is on board or proceeding to or from that ship.
- (c) Travelling expenses in providing a substitute as a consequence of injury, illness or death of any member of the crew who is on board or proceeding to or from that ship.
- (d) Costs for repatriation of the crew necessarily incurred in consequence of the actual or constructive total loss of the entered ship or a major casualty rendering the ship unseaworthy and necessitating the signing off of the crew.
- (e) Liability arising on grounds other than under (a) above to pay damages or compensation for personal injury, illness or death of any member of the crew of the entered ship who is on board or proceeding to or from that ship.

Section 2 Wages - crew

Sick wages and wages as a consequence of death of a member of the crew of the entered ship.

Wages payable to a member of the crew in consequence of the actual or constructive total loss of the entered ship or a major casualty rendering the ship unseaworthy and necessitating the signing off of the crew.

Section 3 Loss of or damage to effects - crew

Liability to pay compensation for loss of or damage to personal effects belonging to a member of the crew of the entered ship as well as liability based on such crew agreement and contracts as mentioned in Rule 10 Section 2 (c), excluding valuables, cash, negotiable instruments and objects of a rare or precious nature.

Section 4 Payment of crew claims

- (a) Notwithstanding the provisions of Rules 2 and 26, where a Member has failed to discharge a legal liability to pay damages or compensation for personal injury, illness or death of a seaman provided always that the seaman or dependent has no enforceable right of recovery against any other party and

- would otherwise be uncompensated, the Association shall discharge or pay such claim on the Member's behalf directly to such seaman or dependent thereof.
- (b) Subject to (c) below, the amount payable by the Association shall under no circumstances exceed the amount which the Member would have been able to recover from the Association under the Rules and the Member's terms of entry,
 - (c) Where the Association is under no liability to the Member in respect of such claim in accordance with Rule 26 by reason of termination for non-payment of amounts due to the Association, the Association shall nevertheless discharge or pay that claim to the extent only that it arises from an event occurring prior to the date of cancellation, but as agent only of the Member, and the Member shall be liable to reimburse the Association for the full amount of such claim.

Section 5 Passenger liabilities

Liabilities to pay damages or compensation for personal injury, illness or death of any passenger on board the entered ship.

Liability costs or expenses for loss, shortage, damage or other responsibility relating to luggage or personal belongings of any passenger on board the entered ship.

Liability to pay damages or compensation to passengers on board an entered ship where such liability arises in consequence of a casualty, including the costs of forwarding such passengers and their luggage to their port of destination or returning them to their port of embarkation and of their maintenance ashore.

For the purpose of this rule the word "casualty" shall be defined as follows.

An incident involving either

- (a) collision, stranding, explosion, fire or any other cause affecting the physical condition of the vessel so as to render it incapable of safe navigation to its intended destination; or
- (b) a threat to the life, health or safety of passengers.

The cover provided by the Association shall also include liability for injury, illness or death during carriage to or from the entered ship in its own boats or by means of other boats.

Notwithstanding the terms of the preceding paragraph of this section the Association shall not be liable for any liability in respect of personal injury, illness, death, loss of or damage to property, delay or any consequential loss sustained by any passenger by reason of carriage by air or while they are in the care of any other carrier before or after the carriage on the entered ship. The Association shall not be liable in respect

of the contractual liability of a Member for death, injury and loss of or damage to property during an excursion from the entered ship

- (a) under a separate contract which has been entered into by the passenger for the excursion, whether or not with the Member, or
- (b) if the Member has waived any or all his rights of recourse against any sub-contractor or other third party in respect of the excursion.

Section 6 Limitation of cover for passengers and seamen

The Association's liability for any and all claims in respect of passengers or seamen arising out of any one event shall be limited to such sum or sums and be subject to such terms and conditions as set out in Appendix II, Rule 1.

Section 7 Injury, illness and death - others

Liability to pay compensation for personal injury, illness and death of any persons on board or in relation to the entered ship other than crew and passengers.

Section 8 Stowaways and refugees

Expenses incurred as a result of the entered ship having stowaways, persons saved at sea or refugees on board to the extent that the Member is legally liable for such expenses or they are incurred with the approval of the Association.

Section 9 Life salvage

Sums legally due to third parties by reason of the fact that they have saved or attempted to save the life of any person on or from the entered ship, but only if, and to the extent that such payments are not recoverable under the Hull insurance of the ship or from cargo owners or cargo underwriters.

Section 10 Deportation

Expenses incurred in respect of persons from the entered ship for whom an order for deportation or detention on board the ship has been issued.

Section 11 Diversion expenses

Additional costs and expenses for fuel, any extra insurance, overtime, stores, provisions and port charges attributable solely to a diversion, in excess of those which would have been incurred but for the diversion, reasonably undertaken for the purpose of saving persons at sea or securing treatment of any injured or sick person on board the entered ship, or while awaiting a substitute for such person or for the purpose of landing stowaways, refugees or persons saved at sea, provided that such costs and expenses are incurred with the approval of the Association.

Rule 4 Liabilities in respect of cargo

Section 1 Cargo liabilities

Liabilities, costs or expenses for loss, shortage, damage or other responsibility relating to cargo before, during or after the contracted transport by the entered ship.

The cover afforded by the Association is limited to a period starting fourteen days before the commencement of the transport and ending fourteen days after its completion.

For cargo which is the property of the Member, cover is provided by the Association to the same extent as if the cargo had been the property of a third party.

For deck cargo, cover is afforded by the Association provided that the vessel, cargo and containers and similar articles of transport are suitable for deck carriage in all the circumstances and that the bill of lading, waybill or other document containing or evidencing the contract of carriage contains a valid liberty clause to carry such cargo on deck and either

- (a) states that the cargo is being so carried and excludes all liability for loss or damage to such cargo or;
- (b) makes the carriage subject to the Hague Rules or the Hague-Visby Rules.

Where the value of any cargo is declared to be more than USD 2,500 by reference to a unit, piece, package or otherwise in the bill of lading, waybill or other document containing or evidencing the contract of carriage, and where the effect of such declaration is to deprive the Member of any right of limitation to which he would otherwise have been entitled then liabilities exceeding USD 2,500 in respect of any such unit, piece, or package are excluded from cover.

Section 2 Cargo liabilities during through transports and lighterage

Liabilities, costs or expenses in respect of damage to cargo during through transports while the cargo is in the care of another carrier provided that the transport is performed under a through or transshipment bill of lading or other document of carriage approved by the Association providing for carriage partly to be performed by the entered ship. Damage caused by cargo is covered only if the claim is brought under the document of carriage.

Liabilities, costs or expenses in respect of cargo during contractual and customary lighterage.

Section 3 Liabilities for bill of lading particulars

Liability for incorrect or incomplete description of the cargo or other incorrect statements in a bill of lading, waybill or other document containing or evidencing the contract of carriage, except that there shall be no recovery in respect of liabilities, costs or expenses arising out of

- (a) the issuance of an ante dated or post dated bill of lading, waybill or other document containing or evidencing the contract of carriage, which records the loading, shipment or receipt for shipment on a date prior or subsequent to the date on which the cargo was in fact loaded, shipped or received,
- (b) the issuance of a bill of lading, waybill or other document containing or evidencing the contract of carriage with a description of cargo, its quantity or condition, or of its port of loading or discharge which the Member or the Master of the entered ship knew to be incorrect.

Section 4 Liabilities for delivery of cargo

Liability for misdelivery of cargo except

- (a) as regards a negotiable bill of lading or similar document of title when delivery has been made without the production of that Bill of Lading or document by the person to whom delivery is made,
- (b) as regards a non-negotiable bill of lading, waybill or similar document when delivery has been made to a person who is neither named in the document as the person to whom delivery should be made nor, as regards waybill, is lawfully nominated by the shipper as the person to whom delivery should be made,
- (c) as regards a non-negotiable bill of lading, waybill or similar document when delivery has been made without production of that bill of lading, waybill or document by the person to whom delivery is made, where such production is required by the express terms of such bill of lading, waybill or document or by operation of law.

Section 5 Paperless trading

Unless the Association otherwise decides there shall be no recovery from the Association in respect of liabilities, losses, costs and expenses arising from the use of any electronic trading system, other than a system approved by the Association, to the extent that such liabilities, losses, costs and expenses would not (save insofar as the Association in its sole discretion otherwise determines) have arisen under a paper trading system.

An electronic trading system is any system which replaces or is intended to replace paper documents used for the sale of goods and/or their carriage by sea or partly by sea and other means of transport and which:

- (a) are documents of title, or
- (b) entitle the holder to delivery or possession of the goods referred to in such documents, or
- (c) evidence a contract of carriage under which the rights and obligations of either of the contracting parties may be transferred to a third party.

A "document" shall mean anything in which information of any description is recorded including, but not limited to, computer or other electronically generated information".

Section 6 Extraordinary handling costs

Costs or expenses in excess of those which would normally have been incurred in respect of

- (a) discharging or disposing of damaged, rejected or worthless cargo,
- (b) discharging, handling, storing and reloading cargo where the ship has sustained damage recoverable under the Hull insurance of the entered ship.

Extraordinary costs under a-b above are recoverable only if and to the extent that compensation is not afforded in General Average or recoverable from any other party and provided such costs are not caused by the nature of the cargo which was known or should have been known by the Member.

Section 7 General Average

Unrecoverable General Average contributions

The proportion of General Average expenditure, special charges or salvage which the Member is or would be entitled to claim from cargo or from some other party to the marine adventure and which is not legally recoverable solely by reason of a breach of the contract of carriage provided always that the Member obtained adequate General Average security. Without such security recovery from the Association can be obtained only if the Member can prove that, at the time of delivery of the cargo, he neither knew nor ought to have known that there had been an occurrence of General Average nature during the voyage.

Ship's proportion of General Average

The entered ship's proportion of General Average, special charges or salvage not recoverable under the Hull insurance by reason of the value of the ship being assessed for contribution to General Average or salvage at a sound value in excess of the insured value under the Hull insurance.

Section 8 Deviation

The Association shall not be liable to compensate the Member for liabilities, costs or expenses for which the Member has become liable as a consequence of a deviation whether geographical or other forms of deviation such as by delay or by non-performance.

Where the Member has reported the deviation to the Association as soon as he became aware of it, the Association may at its discretion agree to cover the Member fully, partly or against special conditions or an additional premium. Where the

Association finds it necessary for the Member to arrange a special insurance to cover the deviation, the Association may agree to arrange such a cover on the Member's behalf and at his expense.

Rule 5 Liabilities in respect of delay

Liability pursuant to mandatory rules of law for loss caused by delay in the carriage by the entered ship of passengers, luggage and cargo.

Rule 6 Liabilities in respect of pollution

Section 1 Pollution liabilities

Liabilities, costs or expenses incurred as a result of the discharge or escape from the entered ship of oil or any other substance or the threat of such discharge or escape unless such liabilities, costs or expenses form part or could form part of General Average under the York/Antwerp Rules 1994 or 2016.

Unless the Association shall otherwise decide, there is no cover in respect of any liability for loss, damage, costs and expenses arising as a consequence of the discharge or escape, or the threat of discharge or escape, of any hazardous waste previously carried on the vessel from any landbased dump, storage or disposal facility.

Section 2 Oil pollution limitation of cover

Subject to (a) and (b) below the Association's liability for any and all claims in respect of oil pollution shall be limited to such sum or sums and be subject to such terms and conditions as the Association may from time to time determine.

- (a) If the Association shall determine that claims on the Association shall be limited to a specified sum in respect of any one entered ship each accident or occurrence, then, unless the Association shall otherwise decide, the limit shall apply irrespective of whether the accident or occurrence involves the escape of oil from one ship or more than one ship and to all claims brought by the Owner or Joint Owners of the ship in respect of such accident or occurrence whether under one Rule or more than one Rule. If the aggregate of such claims exceeds that limit, the liability of the Association for each claim shall be such proportion of the sum determined by the Association as such claim bears to the aggregate of all such claims.
- (b) Unless the Association shall otherwise decide, where the ship provides salvage or other assistance to another ship following a casualty, a claim by the Member in respect of oil pollution arising out of the salvage, the assistance or the casualty shall be aggregated with any liabilities or costs incurred in respect of oil pollution by any other ships similarly engaged in connection with the same casualty when such other ships are either

- (i) insured by the Association in respect of oil pollution or
- (ii) covered for those risks with any other Association which participates in the Pooling Agreement and the Group Excess Reinsurance Policies.

In these circumstances the limit of the liability of the Association shall be such proportion of the sum determined by the Association as the claim by the owner of the ship bears to the aggregate of all the said claims.

If the total amount of any oil pollution claim against the Member under Rule 6 Section 1 exceeds a sum to which the Association has determined to limit its liability according to Rule 6 Section 2, the Association will not be liable to make any payment in respect of any amount by which the claim exceeds the sum to which the Association has determined to limit its liability.

Rule 7 Other liabilities

Section 1 Liabilities for other property

Liabilities, costs or expenses for loss of or damage caused to property not owned by the Member whether on board or outside the entered ship to the extent such risks are not specified in other Rules.

However, the Member shall not be entitled to be reimbursed by the Association in respect of loss of or damage to objects or property which he has borrowed, leased or bought under reservation of title.

Section 2 Collision with other ships

Liabilities, costs or expenses incurred as a result of a collision with another ship if and to the extent such liabilities, costs or expenses are not covered under the Hull insurance of the entered ship and, unless otherwise agreed in writing, limited to

- (a) one fourth of the liability arising out of the collision,
- (b) that part of the Member's liability, arising out of the collision, which exceeds the sum recoverable under the Hull insurance of the entered ship solely by reason of the fact that the liability exceeds the Hull insurance value.

The limitations under a-b above do not apply should the liability, cost or expense relate to the raising, removal, destruction, lighting or marking of the wreck from another ship, or the removal or the destruction of the cargo on board another ship.

Section 3 Damage to fixed and floating objects

Liabilities, costs or expenses incurred as a result of a contact with fixed and floating objects if and to the extent such liabilities, costs or expenses are not covered under the Hull insurance of the entered ship.

Furthermore, that part of the Member's liability, arising out of the contact, which exceeds the sum recoverable under the Hull insurance of the entered ship solely by reason of the fact that the liability exceeds the Hull insurance value.

Section 4 Special compensation to salvors

Liability to pay special compensation to a salvor of an entered ship in respect of work done or measures taken to prevent and minimise damage to the environment provided

- (a) that such liability is imposed on the Member pursuant to Article 14 of the International Convention on Salvage (1989) or is assumed by the Member under the terms of a standard form of salvage agreement approved by the Association,
- (b) that such liability is not payable by those interested in the salvaged property.

Section 5 Obstruction to navigation and wreck liabilities

Liabilities, costs or expenses incurred where the entered ship as a result of a casualty has caused an obstruction to navigation.

Liabilities, costs or expenses relating to the raising, removal, destruction, lighting or marking of the wreck of the entered ship, its cargo or equipment which relates to the ship or wreck, when such acts are compulsory by law or the costs thereof are legally recoverable from the Member except to the extent they are covered by the Hull insurance of the entered ship. The value of the wreck and other property saved shall be credited to the Association.

Liabilities, costs or expenses incurred as a result of the presence or involuntary shifting of the wreck of the entered ship or its cargo. However, where the Hull Underwriters have not acquired title to the wreck, the cover afforded by the Association is limited to a period of three years from the day the insurance ceased.

Section 6 Liabilities in respect of fines

1. Fines (dues, penalties or charges) as set out under a-c whether judicially imposed upon the Member, a member of the crew or a representative of the Member whom the Member may be liable to reimburse or reasonably reimburses with approval of the Association
 - (a) fines imposed for short or over-delivery of cargo, or failure to comply with regulations concerning the declaration of goods, or documentation of cargo (other than fines or penalties arising from the smuggling of goods or cargo or any attempt thereat), provided that the Member is insured by the Association for liability in respect of such cargo and subject to the terms of the entry in respect of such cargo cover,
 - (b) fines imposed for breach of any immigration law or regulation,

- (c) fines imposed in respect of the accidental escape or discharge of oil or any other substance, provided that the Member is insured for pollution liability by the Association, and subject to the applicable limit of liability under Association entry,
2. Other fines judicially imposed may be recoverable provided that
 - (a) the Member has satisfied the Association that he took such steps as appeared to be reasonable to avoid the event giving rise to the fine or penalty.

Any amount claimed in respect of such fines shall be recoverable to such extent only as the Association in its absolute discretion may determine without having to give any reason for its decision.
3. Irrespective of points 1 and 2 above, the Association shall have no liability in respect of fines for
 - (i) overloading of the ship,
 - (ii) carriage of more passengers than permitted,
 - (iii) illegal fishing,
 - (iv) insufficient upkeep on the ship's lifesaving and navigational equipment,
 - (v) lack of valid or prescribed certificates,
 - (vi) infringement of MARPOL regulations where the ship's oil water separator or similar pollution prevention device has been bypassed or rendered inoperable.

Section 7 Quarantine expenses

Additional costs or expenses for quarantine, disinfection, fuel, insurance, wages, stores, provisions and port charges, in excess of those which would have been incurred but for the quarantine, necessarily and solely incurred by the Member in connection with quarantine and disinfection of the entered ship as a direct consequence of an outbreak of infectious disease onboard the entered ship and as a consequence of a quarantine and/or disinfection order. There shall be no recovery from the Association for the ship's running expenses during the delay or indirect consequences thereof.

There shall be no recovery from the Association, where, at the time the entered ship has been ordered to a port, the Member knew or it was reasonable to anticipate, that it would be quarantined.

Section 8 Towage liabilities

Where the entered ship is towed,

- (a) liability arising from the towage for the purpose of entering or leaving port or manoeuvring within the port during the ordinary course of trading or from

towage of such ships which are habitually towed in the ordinary course of trading from place to place,

- (b) liability arising from other towage, however where such liability arises under the terms of a towage contract cover is afforded only where such contract has been approved by the Association.

Where the entered ship is towing,

- (c) liability arising from towage during a voyage with the purpose of saving life or property in distress,
- (d) liability arising from other towage but only when the Association has agreed in advance to afford cover for such towage.

Section 9 Confiscation of ship

Notwithstanding the terms of Rule 11 Section 2 (l) the Association shall have the discretion to compensate, in whole or in part, the Member's claim for loss of the entered ship following confiscation of the ship by any legally empowered authority by reason of the infringement of any customs law or customs regulation.

The compensation from the Association shall not exceed the market value of the ship without commitment at the time of confiscation.

The claim will be considered by the Association only

- (a) if the Member has been deprived of his interest in the entered ship for a time of not less than six months,
- (b) if the Member shall have satisfied the Association that he took such steps which in the opinion of the Association were reasonable to prevent the infringement of the customs law or regulation giving rise to the confiscation.

The Association shall be under no obligation to give reasons for its decision.

Section 10 Consortium claims

The Association's liability for consortium claims shall be limited to such sums and be subject to such terms and conditions as set out in Appendix II, Rule 3.

Rule 8 Liabilities for costs

Section 2 Preventive costs and amounts saved

If such costs have been incurred jointly for the interest insured and for other interest, only such portion is compensated that falls on the interest insured.

Where the Member, as a result of a casualty or event for which he is covered under these Rules, has obtained extra revenue, saved expenses or avoided liability, which would otherwise have been incurred and which would not have been covered by the Association, the Association may deduct from the compensation an amount corresponding to the benefit obtained.

Rule 9 Vacant

CHAPTER III CONDITIONS FOR COVER

Rule 10 Conditions

Section 1 Member's obligations with regard to classification and requirements by Classification Society, flag State or otherwise

Unless otherwise agreed the following conditions are terms of the insurance of the entered ship.

1. With regard to the classification of ships
 - (a) The ship must be and remain throughout the period of insurance classed with a Classification Society approved by the Association.
 - (b) The Member must promptly call to the attention of that Classification Society or the Society's surveyors any incident or condition which has given or might have given rise to damage in respect of which the Classification Society might make recommendations as to repairs or other action to be taken by the Member.
 - (c) The Member must comply with all the Rules, recommendations and requirements of that Classification Society relating to the entered ship within the time or times specified by the Society.
 - (d) The Member must authorise the Association, for whatever purpose it may consider necessary, to receive information and to inspect and obtain documents relating to the class of the entered ship from a Classification Society with which the ship is or has been classed.
 - (e) Where the Member is in breach of Section 1 (a) above of this Rule, the Member shall cease to be insured by the Association in accordance with Rule 27 (f). Where the Member is in breach of Section 1 (b)-(d) above of this Rule, the Association may reject any claim or reduce any sum payable under these Rules.

2. With regard to statutory requirements

The Member must comply with the flag State's or other competent authorities' requirements relating to the entered ship's design, construction, adaptation, fitment, condition, equipment, manning, safe operation, management and maritime security.

Valid certificates covering such requirements, including ISM Code certificates and ISPS Code certificates, must at all times be maintained. If the Member fails to fulfil his obligations under this point, the Association may reject to compensate liabilities, costs or expenses caused by such failure.

Section 2 Standard terms of contracts

The following applies to standard terms of contracts or agreements entered into by or on behalf of the Member.

- (a) Contracts for carriage of goods
Such contracts shall not impose upon the Member a higher liability than would follow from the Hague Rules or the Hague-Visby Rules.
- (b) Contracts for through transport of goods
Such contracts shall not impose upon the Member a higher liability than would follow from any mandatory provisions applicable to any separate part of such through transport.
- (c) Crew agreements and contracts of service and employment
Such contracts or amendments thereto must be submitted to and approved by the Association.
- (d) Contracts for carriage of passengers
Such contracts must be submitted to and approved by the Association.
- (e) Other contracts
Such contracts must be submitted to and approved by the Association.

There shall be no recovery from the Association for liabilities, costs or expenses which would not have arisen had the Member complied with the conditions set out above.

Upon application by the Member the Association may agree to provide insurance cover for contracts containing terms less favourable than required under a-b above.

Notwithstanding what has been said above, the Association may reject to compensate the Member for liabilities, costs or expenses arising from the Member having entered contracts or agreements on unusually burdensome terms without the approval of the Association.

Section 3 Regulations

The Association may issue general or particular regulations in writing.

The Association may reject any claim or reduce any sum payable in respect of claims arising as a consequence of the Member not complying with such regulations.

Section 4 Obligations with regard to casualties and claims

The Member must take all reasonable steps to avert or minimise liabilities, costs or expenses in respect of any casualty or event which may give rise to a claim upon the Association.

The Member must promptly notify the Association of any such casualty or event and of any related formal enquiry or legal proceedings involving the entered ship. The Member must also promptly notify the Association when a claim has been made against the Member which may give rise to a claim upon the Association.

The Member must promptly provide the Association with all documents and evidence which may be relevant to the case and must produce any person for interview or to give evidence.

The Member shall not settle or admit liability for any claim for which he may be insured by the Association without the prior consent of the Association.

Where the Member commits any breach of these obligations, the Association may reject any claim by the Member against the Association or reduce any sum payable by the Association arising out of the casualty.

Where the Member does not accept a settlement of a claim recommended by the Association, the Association's liability in respect of such claim shall be limited to the amount so recommended.

Section 5 Survey

The Association must at any time be allowed admittance to the ship to conduct any surveys and investigations which the Association considers necessary.

Section 6 Disclosure and alteration of risk

The Member shall make full disclosure to the Association before the contract of insurance is concluded of every circumstance which would influence the Association in deciding whether and on what terms and conditions to provide cover.

The Member shall promptly disclose to the Association every change in circumstance, occurring after the conclusion of the contract of insurance, which may alter the insured risk. Where there is an alteration of risk intentionally caused or agreed to by the Member, the Association may reassess the terms and conditions of the cover provided.

Where the Member commits any breach of these obligations, the Association may reject any claim against the Association if the Association would not have concluded the contract of insurance at all or on the same terms and/or conditions had the Association known about the circumstance, or reduce any sum payable to the extent the circumstance has had relevance for the claim.

CHAPTER IV EXCLUSIONS FROM COVER

Rule 11 Exclusions

Section 1 Member's intent or gross negligence

The Association shall not be liable for liabilities, costs or expenses caused by the intentional or grossly negligent acts or omissions of the Member nor for such acts or omissions which the Member knew or ought to have known would cause liabilities, costs or expenses.

Section 3 Exclusions for certain operations

The cover afforded by the Association shall exclude liabilities, costs or expenses arising out of

 - (ii) the failure to perform such specialist operations by the Member or the fitness for purpose or quality of the Member's work, products or services; or
 - (iii) any loss of or damage to the contract work save for loss of life, injury or illness of crew and another personnel onboard the entered ship, the wreck removal of the entered ship, and oil pollution from the entered ship, or the threat thereof, to the extent such liability is covered by these Rules,
- (d) disposal operations unless carried out as an incidental part of other commercial activities not being a specialist operation mentioned above,
- (e) the operation by the Member of submarines, mini-submarines and diving bells and activities of professional or commercial divers where the Member is responsible for such activities save for

- (g) in respect of non-marine personnel employed otherwise than by the Member where the ship operates as an accommodation unit unless there has been a contractual allocation of risk between the Member and the employer of the personnel and the contract includes a knock for knock agreement which has been approved by the Association.
- (h) hotel and restaurant guests, other visitors, and catering crew where the ship is moored, otherwise than on a temporary basis, and is open to the public as a hotel, restaurant, bar, and/or other place of entertainment.

Section 4 Sanctions

The Association shall not be liable for liabilities, costs or expenses

- (a) where the reimbursement or any payment in respect thereof would expose the Association to the risk of being or becoming subject to any sanction, prohibition or adverse action under United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or another significant state power,
- (b) in respect of that part of any liabilities, costs and expenses which is not recovered by the Association under the Pooling Agreement, Group Excess Loss Policies or any other reinsurance arranged by the Association because of a shortfall in recovery from such parties or reinsurers thereunder by reason of a sanction, prohibition or adverse action against them under United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or another significant state power or the risk thereof if payment were to be made by such parties or reinsurers. For the purposes of this Rule "shortfall" includes any failure or delay in recovery by the Association by reason of such parties or reinsurers making payment into a designated account in compliance with the requirements of United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or another significant state power. The provisions of this Rule shall cease to apply in respect of any shortfall to the extent the same is subsequently recovered by the Association under the Pooling Agreement, Group Excess Loss Policies or any other reinsurance arranged by the Association.

Section 5 War risks

There shall be no recovery from the Association for liabilities, costs or expenses arising from loss, damage, injury, illness, death or other accidents caused by

- (a) war, civil war, revolution, rebellion, insurrection or civil strife arising therefrom, or any hostile act by or against a belligerent power, or any act of terrorism (provided that, in the event of any dispute as to whether or not, for the purpose of this paragraph (a) an act constitutes an act of terrorism, the Association shall in its absolute discretion determine that dispute and the Association's decision shall be final),
- (b) capture, seizure, arrest, restraint or detention - barratry and piracy excepted - and the consequences thereof or any attempt thereat,
- (c) mines, torpedoes, bombs, rockets, shells, explosives or other similar weapons of war save for those liabilities, costs or expenses which arise solely by reason of the transport of any such weapons whether on board the entered ship or not provided always that this exclusion shall not apply to the use of such weapons, whether as a result either of government order or with the agreement of the Association where the reason for such use is avoidance or mitigation of liabilities, costs or expenses which would otherwise fall within the cover given by the Association.

The above conditions shall apply irrespective of whether a contributory cause of the liability arising or the costs or expenses being incurred, is any negligence on the part of the Member, his servants or agents.

Section 6 Other insurance

The Association shall not be liable for liabilities, costs or expenses which would have been covered under the Hull insurance if the entered ship had been fully insured under Hull insurance conditions approved by the Association for a sum which at any time should be the market value without commitment.

The Association shall not be liable for liabilities, costs or expenses in respect of the entered ship, its cargo, passengers carried, members of the crew or other persons performing work in the service of the ship which are recoverable under any other insurance.

The Association shall not be liable for any franchise, deductible or deductions of a similar nature borne by the Member under any other insurance.

Section 7 Nuclear risks

The cover afforded by the Association shall exclude liabilities, costs or expenses directly or indirectly caused by or contributed to by or arising from

- (a) ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel,
- (b) the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof,
- (c) any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter.
- (d) the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter.

However, the Association may cover liabilities, costs or expenses arising out of the carriage of "excepted matter" as defined in Section 26 (1) of the Nuclear Installations Act 1965 of the United Kingdom, or any amendments thereof, provided that it is carried as cargo and that the carriage has been approved by the Association. "Excepted matter" consists of radioisotopes which are used or intended to be used for industrial, commercial, agricultural, medical or scientific purpose, natural uranium and depleted uranium.

This clause shall override anything contained in these Rules inconsistent therewith.

CHAPTER V OTHER PROVISIONS

Rule 12 Security for claims and certificates

In no circumstances shall the Association be obliged to provide security to obtain the release of or to prevent the arrest or attachment of the entered ship or of any property or assets of the Member.

The Member shall upon demand reimburse to the Association such sum or sums as the Association has paid on behalf of the Member under any bail, guarantee, certificate or security whatsoever provided by the Association to the extent that such payment in the opinion of the Association is in respect of liabilities, costs and expenses not recoverable from the Association.

Notwithstanding the exclusions in Rule 11 Sections 5 and 7, the Association will discharge on behalf of the Member liabilities, costs, expenses arising under a demand made pursuant to the issue by the Association on behalf of the Member of

- (a) a guarantee or other undertaking given by the Association to the Federal Maritime commission under Section 2 of US Public Law 89-777, or
- (b) a certificate issued by the Association in compliance with Article VII of the International Conventions on Civil Liability for Oil Pollution Damage 1969 or 1992 or any amendments thereof, or
- (c) an undertaking given by the Association to the International Oil Compensation Fund 1992 in connection with the Small Tanker Oil Pollution Indemnification Agreement (STOPIA), or Tanker Oil Pollution Indemnification Agreement (TOPIA), or
- (d) a certificate issued by the Association in compliance with Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001, or
- (e) a certificate issued by the Association pursuant to Article 12 of the Nairobi International Convention on the Removal of Wrecks, 2007, or
- (f) a certificate in compliance with Regulation 2.5.2, Standard A2.5.2 and Regulation 4.2, Standard A4.2.1(b) of the Maritime Labour Convention 2006, as amended (MLC 2006) or domestic legislation by a state party implementing MLC 2006.

Provided always that

- (i) The Member shall indemnify the Association to the extent that any payment under any such guarantee, undertaking or certificate in discharge of the said liabilities, costs and expenses is or would have been recoverable in whole or in part under a standard P&I war risk policy had the Member complied with the terms and conditions thereof, and

- (ii) the Member agrees that
 - (a) any payment by the Association under any such guarantee, undertaking or certificate in discharge of the said liabilities, costs and expenses shall, to the extent of any amount recovered under any policy of insurance or extension to the cover provided by the Association, be by way of loan; and
 - (b) there shall be assigned to the Association to the extent and on the terms that it determines in its discretion to be practicable all the rights of the Member under any other insurance and against any third party.

Rule 13 Set-off

The Association shall be entitled to set off any amount due from the Member under these Rules or under any other policy against any amount due to the Member from the Association.

Rule 14 Right of recourse

For any amount paid by the Association to the Member or to a claimant, the Member's right of recovery from third parties is transferred to the Association, which is entitled to collect any amount recovered.

The Association has a right of recourse against the Member for any amount which the Association has paid on behalf of the Member and for which the Member is not entitled to compensation under these Rules.

Rule 15 Time bar

The Member's claim against the Association shall be extinguished if he

- (a) fails to notify the Association of any casualty or event or claim referred to in Rule 10, Section 4 within six months after he has knowledge thereof,
- (b) fails to claim compensation from the Association within three years after having discharged liability or having paid costs or expenses.

Where the Member's claim against the Association has not been extinguished earlier, his right to claim compensation shall be extinguished after ten years from the time of the casualty or other event. However, where final judgement or adjustment has to be awaited before a claim for compensation from the Association can be made, the claim shall not be extinguished until one year after such judgement or adjustment having acquired legal force.

Where the Association has requested the Member in writing to submit his claim against the Association for decision in accordance with Rule 18 within a specific time which shall not be shorter than six months, the Member's rights to compensation shall be extinguished if he fails to comply with the request.

Rule 16 Payment by the Association

Payment to the Member of any sums due shall fully discharge the Association of its liabilities under these Rules unless otherwise agreed.

Rule 17 Forbearance

No act, omission, course of dealing, forbearance, delay or indulgence by the Association shall constitute a waiver of the Association's rights under these Rules.

Rule 18 Disputes

The contract of insurance shall be governed by Swedish law subject to the right of the Association under Rule 25 to enforce its right of lien. Disputes arising out of the contract of insurance shall be decided by a Swedish Average Adjuster or at the request of either party be referred to arbitration in Gothenburg in accordance with Swedish law.

Rule 19 Omnibus clause

The Association shall have the absolute discretion to compensate the Member for liabilities, costs or expenses as referred to in the second paragraph of Rule 2 even where such compensation would not have followed under these Rules.

Rule 20 Period of insurance

The cover afforded by the Association as set out in these Rules is for liabilities arising out of an event during the period of insurance.

The period of insurance shall commence at the time and date stated in the policy of insurance issued by the Association and shall continue until 1200 hours UTC (Universal Time, Co-ordinated) on 20 February and thereafter from policy year to policy year unless it has been terminated or has ceased in accordance with these Rules.

The policy year begins at 1200 hours UTC on any 20 February and continues until the same time on the next following 20 February.

Rule 21 Insurance premium tax

The Member shall be liable to pay any tax or other fiscal demand relating to premiums or other sums due under the insurance policy. In the event that the Association has become liable for any such tax or fiscal demand, the Member shall reimburse the Association on demand.

Rule 22 Premiums and deductibles

Premiums for the policy year to come are decided annually by the Association.

The premium is due for payment in four equal instalments on 20 February, 20 May, 20 August and 20 November.

Should the period of insurance commence during the current policy year, a pro rata premium shall be paid at the time when the period of insurance begins, for the period until the next due date. Thereafter the premium shall be paid as stated in the second paragraph.

Deductibles for the policy year to come are decided annually by the Association. There shall be one deductible per event unless different types of liabilities are involved in which case each type of liability shall carry one deductible.

Rule 23 Additional premiums

During or after the end of a policy year which has not been declared closed, the Association may levy one or more additional premiums to be paid by each Member in respect of ships entered for that policy year. Such additional premiums shall be calculated pro rata on the net premium debited for the policy year.

The Association may decide in its sole discretion that any premium paid in advance or charged as an additional premium or otherwise, shall be used for transfers to any reserves or provisions including reserves or provisions in respect of any deficiency which has occurred or which may be thought likely to occur in respect of any closed policy year.

Unpaid additional premiums may be levied on other Members pro rata on the net premium debited for the policy year.

Should the insurance cease or be terminated, the Association may levy an estimated additional premium on the Member.

Additional premiums are due for payment on demand.

Rule 24 Overspill calls

The cover afforded by the Association is limited as defined in Appendix I to these Rules.

The Association may at any time decide at its discretion to levy one or more overspill calls in the event that funds are or may be required to pay any part of a claim incurred by the Association or by any other party to the Pooling Agreement in excess of the reinsurances cover limit arranged by the parties to the Pooling Agreement.

The part of any claim incurred by the Association under these Rules which exceeds the reinsurances cover limit shall not be recoverable from the Association in excess of the amounts specified in Appendix I.

The provisions of Appendix I shall be incorporated in and shall form part of these Rules. In the event of any conflict between the provisions of the English wording of Appendix I and the Swedish and English wording of these Rules the provisions and wording of the English text, including those provisions concerning jurisdiction and choice of law, of Appendix I shall prevail.

Rule 25 Right of lien for amounts due to the Association

The Association shall be entitled to a lien on the insured vessel, and any other insured vessels, which are part of a fleet in accordance with Rule 31, for all premiums and any other amounts due to it under these rules. Such lien shall be in addition to and in no way be construed as a waiver or amendment to, any other contractual or maritime lien which the Association may expressly or impliedly possess in respect of the said vessel or vessels. In order to exercise this right and notwithstanding Rule 18 the Association may take action and/or commence proceedings to enforce its right of lien in any jurisdiction in accordance with local law in such jurisdiction.

Rule 26 Termination

The period of insurance may be terminated by a written notice of termination from the Member to the Association or from the Association to the Member not later than 1200 hours UTC (Universal Time, Co-ordinated) on the 20 January. Where such notice of termination has been given the period of insurance shall terminate at noon on the next 20 February.

It shall be a condition precedent of the Members' right to recover from the Association in respect of any liabilities, costs or expenses that all premiums and other amounts due by the Member to the Association shall have been paid in full. Where the premium is not paid timeously, the Association shall not be liable and shall have the right to terminate the period of insurance on three days' written notice. Where the premium is paid before such termination, the Association shall be liable from the date of payment only.

Where the premium for an ensuing period, an additional premium or an overspill call is not paid without delay, the Association shall have a right either to serve a written reminder regarding the date of payment, whereupon the Association shall be relieved from liability after seven days, or to terminate the period of insurance on three days' written notice.

Where the period of insurance and/or the entry of a ship is terminated or has become terminated due to the non payment of premiums at a time when premiums or any other sums due to the Association are outstanding, it is agreed that the Association is entitled to a lien over the previously entered ship.

The Association may further terminate the period of insurance

- (a) with immediate effect upon notification, at an event referred to in Rule 11 Section 1,
- (b) on three days' notice, where the Member has failed to pay, when due and demanded, any sums other than premiums,
- (c) on seven days' notice, where the Member has failed to comply with regulations issued by the Association,
- (d) on fourteen days' notice, where the Member becomes bankrupt or otherwise insolvent,
- (e) on thirty days' notice, without giving any reason,
- (f) on such notice as the Association may decide, where, in the opinion of the Association, the Member has exposed or may expose the Association to the risk of being or becoming subject to a sanction, prohibition or other adverse action under United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or other significant state power.

Rule 27 Cesser

The Member shall cease to be insured by the Association

- (a) where the entered ship is posted at Lloyd's as missing or is missing for thirty days since last heard of, whichever is the earlier,
- (b) where the entered ship becomes a total loss or is accepted by the Hull insurance as being a constructive, compromised or arranged total loss, in which case the insurance shall cease at the time when the Member is entitled to total loss compensation from the Hull insurance,
- (c) where the entered ship is transferred to a new owner by sale or otherwise, in which case the insurance shall cease at the time of such transfer. Should the operation of the entered ship be transferred to another company or manager, the Association is entitled to decide that the insurance shall cease,
- (d) where the entered ship is requisitioned, in which case the insurance shall cease at the time of such requisition,
- (e) where the entered ship, with the knowledge of the Member, is being used to carry contraband or employed in blockade running or in an unlawful trade,
- (f) where the Member is in breach of Rule 10, Section 1 (a).

Rule 28 Effect of termination and cesser

Termination or cesser of the insurance shall have the following effect.

The Member shall remain liable for all premiums due for the current or previous policy years up to the date of termination or cessation but shall be entitled to a refund of premiums paid which refer to a period after that date.

The Association shall remain liable for all claims under these Rules arising out of events which occurred prior to the date of termination or cessation provided that premiums due shall have been paid.

Rule 29 Laid-up returns

The Member shall be entitled to a return of premiums if the entered ship shall be laid-up in a safe port in compliance with any applicable requirements or regulations for a consecutive period not less than thirty full days, provided the ship has no cargo and has no more crewmembers on board than necessary for maintenance or security.

No claim for laid-up returns shall be recoverable from the Association unless written notice thereof has been given within twelve months after the expiry of the policy year concerned.

Rule 30 Joint members, co-assureds, affiliated charterers and contractors

Joint Members

The Association may allow several Members to be covered jointly (Joint Members) by the same insurance on the following conditions unless otherwise agreed.

The Joint Members shall be jointly and severally liable for all sums due to the Association.

The Association may fully discharge its obligations with regard to payment under these Rules by payment to any one of the Joint Members.

Any communication by the Association to any one of the Joint Members or any other insured party shall be deemed to be communicated to all. Failure by any one of the Joint Members or any other insured party to disclose material information shall be deemed to be the failure of all.

Act or omission of any one of the Joint Members or any other insured party which causes the insurance to cease or which entitles the Association to terminate the insurance or to reject or reduce any compensation shall be deemed an act or omission of all.

The liability of the Association to the Joint Members shall not exceed the limitation under the fifth paragraph of Rule 2 had the registered Owner of the entered ship been the sole Member, except where the Joint member is

- (a) any person interested in the operation, management or manning of the entered ship,
- (b) the holding company or the beneficial owner of the Member or of any Joint Member falling within category (a) above

and provided that the liability arises out of operations and/or activities customarily carried on by or at the risk and responsibility of shipowners and which is within the scope of the cover afforded by these Rules and any special terms set out in the Certificate of Entry.

Any liability of the parties insured to one another shall neither be excluded nor discharged by reason of a common insurance. Payment by the Association to one of the parties insured in respect of any liabilities, losses, costs or expenses shall operate only as satisfaction, but neither exclusion nor discharge, of the liability of that party to the other parties insured.

Co-assureds

The Association may allow other parties to become co-assureds under a Member's insurance on the following conditions unless otherwise agreed.

The liability of the Association to co-assureds shall be limited to liabilities, costs or expenses which the co-assured is found liable to pay for loss or damage which is properly the responsibility of the Member and which the Member would have incurred if the claim had been pursued against him and which would have been reimbursed by the Association under these Rules.

The Association may fully discharge its obligations with regard to payment under these Rules by payment to any one of the co-assureds or to any other insured party in respect of that loss or damage.

Any communication by the Association to any one of the co-assureds or any other insured party shall be deemed to be communicated to all. Failure by any one of the co-assureds or any other insured party to disclose material information shall be deemed to be the failure of all.

Act or omission of any one of the co-assureds or any other insured party which causes the insurance to cease or which entitles the Association to terminate the insurance or to reject or reduce any compensation shall be deemed an act or omission of all.

The liability of the Association to the co-assureds shall not exceed the limitation under the fifth paragraph of Rule 2 had the claim been pursued against the registered Owner of the entered ship.

Any liability of the parties insured to one another shall neither be excluded nor discharged by reason of a common insurance. Payment by the Association to one of the parties insured in respect of any liabilities, losses, costs or expenses shall operate only as satisfaction, but neither exclusion nor discharge, of the liability of that party to the other parties insured.

Affiliated charterers

The Association may allow affiliated charterers of the entered ship to be covered by the Member's insurance provided that the liability arises out of operations and/or activities customarily carried on by or at the risk and responsibility of shipowners and which is within the scope of the cover afforded by these Rules and any special terms set out in the Certificate of Entry.

Any communication by the Association to any one of the affiliated charterers or any other insured party shall be deemed to be communicated to all. Failure by any one of the affiliated charterers or any other insured party to disclose material information shall be deemed to be the failure of all.

Act or omission of any one of the affiliated charterers or any other insured party which causes the insurance to cease or which entitles the Association to terminate the insurance or to reject or reduce any compensation shall be deemed an act or omission of all.

The liability of the Association to affiliated charterers is limited to USD 350 Million in the aggregate.

Any liability of the parties insured to one another shall neither be excluded nor discharged by reason of a common insurance. Payment by the Association to one of the parties insured in respect of any liabilities, losses, costs or expenses shall operate only as satisfaction, but neither exclusion nor discharge, of the liability of that party to the other parties insured.

Contractors

The Association may allow any party who has entered into a contract with a Member for the provision of services to or by the entered ship (contractor), and any subcontractor of the contractor, to be covered by the Member's insurance provided that the contract includes a knock for knock agreement and has been approved by the Association.

The liability of the Association to contractors is limited to liabilities, costs and expenses which are borne by the Member under the terms of the contract and would, if borne by the Member, have been recoverable by the Member from the Association.

Any communication by the Association to any one of the contractors or any other insured party shall be deemed to be communicated to all. Failure by any one of the contractors or any other insured party to disclose material information shall be deemed to be the failure of all.

Act or omission of any one of the contractors or any other insured party which causes the insurance to cease or which entitles the Association to terminate the insurance or to reject or reduce any compensation shall be deemed an act or omission of all.

The liability of the Association to contractors shall not exceed the limitation under the fifth paragraph of Rule 2 had the registered Owner of the entered ship been the sole Member.

Any liability of the parties insured to one another shall neither be excluded nor discharged by reason of a common insurance. Payment by the Association to one of the parties insured in respect of any liabilities, losses, costs or expenses shall operate only as satisfaction, but neither exclusion nor discharge, of the liability of that party to the other parties insured.

Rule 31 Fleet entry

When the entered ship forms part of a fleet of ships insured by the Association, the Members of the fleet shall be jointly and severally liable for premiums or any other sums due to the Association in respect of any ship in the fleet.

Failure of any Member to pay premiums or other sums shall be deemed to be a failure of all the Members of the fleet and the Association shall be entitled to give notice of termination under Rule 26 and to set-off under Rule 13.

Rule 32 Affiliated companies

The Association may agree to extend the cover afforded by the Association to affiliated companies of the Member which are not named in the Certificate of Entry on such terms as may be agreed.

The liability of the Association to affiliated companies shall be limited to liabilities, costs or expenses which the affiliated company is found liable to pay for loss or damage which is properly the responsibility of the Member and which the Member would have incurred if the claim had been pursued against him and which would have been reimbursed by the Association under these Rules.

The Association may fully discharge its obligations with regard to payment under these Rules by payment to any one of the affiliated companies or any other insured party in respect of that loss or damage.

The liability of the Association to the Member and to affiliated companies shall not exceed the limitation under the fifth paragraph of Rule 2 had the registered Owner of the entered ship been the sole Member.

Any liability of the parties insured to one another shall neither be excluded nor discharged by reason of a common insurance. Rule 35 Mortgaged ships

Where the entered ship is mortgaged to a third party, the Association may allow that third party mortgagee to be covered by the Member's insurance as a Joint Member or Co-assured as per Rule 30. Where the cover afforded by the Association is extended to the mortgagee in this way, that extension does not provide the mortgagee with better rights than those of the Assured.

Where the mortgagee has notified the Association in writing of his interest in the entered ship, the Association may not without the written consent of the mortgagee

- (a) allow the Member to terminate the insurance,
- (b) allow a substantial reduction of the cover afforded by the Association.

The Association may not terminate the insurance without at the same time giving notice thereof to the mortgagee.

 - (vi) any contract for the building, purchase, sale, conversion or repair of the entered ship, including any guarantee in connection with such contract, only to the extent that the Association agrees that claims, disputes or proceedings arising from the particular contract will be covered as a term of entry,
 - (vii) any mortgage of the entered ship or contract for such mortgage,
 - (viii) any other contract in relation to the entered ship,
 - (ix) any other matter which in the opinion of the Association falls within the scope of this insurance.

FD&D Rule 4 Extent of cover

Subject to any special terms which may be agreed the Member is entitled

- (a) to recover from the Association the costs and expenses incurred in connection with any of the claims, disputes and proceedings described in FD&D Rule 3, including costs and expenses payable to other parties to such proceedings under any judgement or order therein, but only if the Association has decided that the case merits the support of the Association and has not withdrawn that support,
- (b) to receive legal advice from the Association in connection with any of the claims, disputes and proceedings described in FD&D Rule 3 or the possibility thereof,
- (c) to recover from the Association the costs and expenses incurred in obtaining advice in connection with the claims, disputes and proceedings aforesaid or the possibility thereof from lawyers, surveyors, representatives and persons other than employees of the Member, where the Association has consented to the obtaining of such advice.

FD&D Rule 5 Discretion of the Association

The Association shall have absolute discretion to determine whether any particular case merits the support of the Association and without prejudice to the generality of the foregoing the Association shall, in exercising its discretion, be entitled to take into account the consideration whether support of the Member in respect of any particular case is in the interest of the Membership.

The Association may at any and all times impose such terms as a condition of supporting the Member in any particular case as it thinks fit.

The Association may at any time withdraw its support from the Member in any particular case if it considers that such case ought to be settled or otherwise discontinued and the Association shall not be liable for any costs and expenses incurred in connection with such case after the time of such withdrawal of support.

FD&D Rule 6 Recovery from the Association

No costs or expenses shall be recoverable from the Association unless

- (a) they have been incurred with the prior consent of the Association,
- (b) they have been incurred by the Association on behalf of the Member in accordance with FD&D Rule 7,
- (c) the Association in its absolute discretion shall decide that they were reasonably incurred and ought in all the circumstances to be borne by the Association.

If a claim or dispute for which the Member is insured is settled without the prior consent of the Association or without a provision for reasonable costs, the Association shall be entitled to recover a reasonable contribution to such costs or expenses incurred by the Association from the Member, provided such costs would otherwise have been recoverable.

The Association shall be entitled to recover costs incurred by the Association which the Member pursuant to an award or judgment shall recover from a party. In the event the funds recovered from that party are insufficient to satisfy both the Member's and the Association's claim the funds shall be apportioned on a pro rata basis.

FD&D Rule 7 Employment of lawyers and other persons

Without prejudice to any other provisions of these Rules and without waiving any of the Association's rights hereunder, the Association may at any and all times appoint and employ on behalf of the Member, upon such terms as it may think fit, lawyers, surveyors or other persons, whether or not lawyers, surveyors or other persons have already been appointed or employed by the Member, for the purpose of dealing with any matter liable to give rise to a claim by the Member upon the Association, including, but not limited to, investigating, or advising upon any such matter and taking or defending legal or other proceedings in connection therewith. The Association may also at any time discontinue such employment as it may think fit.

The costs and expenses incurred in connection with a particular case shall only be recoverable from the Association on condition that all lawyers, surveyors and other persons employed in the case are appointed with the prior consent of the Association, or by the Association under the first paragraph of this Rule.

All lawyers, surveyors and other persons appointed by the Association on behalf of the Member or appointed by the Member with the prior consent of the Association shall at all times be and be deemed to be appointed and employed on the terms

- (i) that, without prejudice to their right to retire from the matter on any other grounds, they shall be entitled to retire from the matter if either the Association or the Member so requests or if such person considers that a conflict of interest has arisen or may arise between the Member and the Association so that he ought to retire from the matter,
- (ii) that they have been instructed by the Member at all times, both while so acting and after having retired from the matter, to give advice and to report to the Association in connection with the matter without prior reference to the Member,
- (iii) that they are to produce to the Association without prior reference to the Member any documents or information in their possession or power relating to such matter,

as if such person had been appointed to act and had at all times been acting on behalf of the Association and notwithstanding that any such advice, reports, documents or information would otherwise be the subject of legal or any other form of privilege.

FD&D Rule 8 Powers of the Association relating to the handling and settlement of claims

The Association shall have the right if it so decides

- (a) to require the Member to settle, compromise or otherwise dispose of any claim, dispute or proceedings which may give rise to a claim by the Member upon the Association in such manner and upon such terms as the Association sees fit,
- (b) to require the Member to take any step in connection with the handling of such claim, dispute or proceedings which the Association may think appropriate.

If the Member does not settle, compromise, dispose of or take steps in connection with the handling of a claim, dispute or proceedings as required by the Association in accordance with the first paragraph of this Rule, any eventual recovery by the Member from the Association in respect of such claim or proceedings shall be limited to the amount he would have recovered if he had acted as required by the Association.

- (c) The Member must comply with all the Rules, recommendations and requirements of that Classification Society relating to the entered ship within the time or times specified by the Society,
- (d) The Member must authorise the Association, for whatever purpose it may consider necessary, to receive information and to inspect and obtain documents relating to the class of the entered ship from a Classification Society with which the ship is or has been classed.

The conditions under (b)-(d) above shall also apply in respect of obligations imposed by competent authorities.

Section 3 Regulations

The Association may issue general or particular regulations in writing or by electronic means.

The Association may exercise its discretion pursuant to FD&D Rule 5 in respect of claims, disputes or proceedings arising as a consequence of the Member not complying with such regulations.

Section 4 Obligations with regard to casualties and claims

The Member must take all reasonable steps to avert or minimise liabilities, costs or expenses in respect of any claim, casualty or event which may give rise to a claim upon the Association.

The Member must promptly notify the Association of any such claim, casualty or event and of any related formal enquiry or legal proceedings involving the entered ship.

The Member must promptly provide the Association with all documents and evidence which may be relevant to the case and must produce any person for interview or to give evidence. Furthermore, the Association must at any time be allowed admittance to the ship to conduct any surveys and investigations which the Association considers necessary.

The Member shall not settle or admit liability for any claim for which he may be insured by the Association without the prior consent of the Association.

Where the Member commits any breach of these obligations, the Association may exercise its discretion pursuant to FD&D Rule 5.

CHAPTER IV EXCLUSIONS FROM COVER

FD&D Rule 10 Exclusions

Section 1 Member's intent or gross negligence

The Association shall not be liable for costs and expenses incurred in connection with claims, disputes or proceedings caused by the intentional or grossly negligent acts or omissions of the Member.

Section 2 General exclusions

The Association shall not be liable for costs and expenses incurred in connection with claims, disputes or proceedings arising out of the entered ship carrying contraband or being employed in an unlawful trade or, if the Association having regard to all the circumstances, shall be of the opinion that the carriage, trade, voyage or any other activity on board or in connection with the entered ship, was imprudent, unsafe, unduly hazardous or improper.

Section 3 Other insurance

- (a) The Association shall not be liable for costs and expenses incurred in connection with claims, disputes or proceedings which would have been covered under the Hull insurance if the entered ship had been fully insured under Hull insurance conditions approved by the Association for a sum which at any time should be either the market value of the ship or its maximum liability under the Brussels Convention of 1957 whichever is the higher.
- (b) The Association shall not be liable for costs and expenses incurred in connection with claims, disputes or proceedings in respect of the entered ship which would have been recoverable if the ship had been fully insured under P&I insurance.
- (c) The Association shall not be liable for costs and expenses incurred in connection with claims, disputes or proceedings in respect of the entered ship, which are recoverable under any other insurance.
- (d) The Association shall not be liable for any franchise, deductible or deductions of a similar nature borne by the Member under any other insurance or for costs and expenses incurred in connection therewith except that costs relating to claims for damage sustained by the entered ship shall be covered to the extent that such damage is not recoverable under the Hull insurance by reason only of a franchise or deductible.

CHAPTER V OTHER PROVISIONS

FD&D Rule 11 Bail or other security

In no circumstances shall the Association be obliged to provide bail or other security to obtain the release of or to prevent the arrest or attachment of the entered ship or of any other property or assets of the Member.

The Association may agree in exceptional cases to provide such bail or security on such terms as it in its discretion may consider necessary. If it does so agree

- (a) the Association shall be entitled to recover from the Member the expenses incurred in connection with the provision of such bail or security,
- (b) the Member shall immediately forward to the Association a cash deposit, bank guarantee or any other form of counter security in favour of the Association that the Association deem appropriate.

FD&D Rule 12 Set-off

The Association shall be entitled to set off any amount due from the Member under these Rules or under any other policy against any amount due to the Member from the Association.

FD&D Rule 13 Right of recourse

For any amount paid by the Association to the Member or to a claimant, the Member's right of recovery from third parties is transferred to the Association, which is entitled to collect any amount recovered.

The Association has a right of recourse against the Member for any amount which the Association has paid on behalf of the Member and for which the Member is not entitled to compensation under these Rules.

FD&D Rule 14 Time bar

The Association shall have no liability under these Rules if the Member

- (a) fails to notify the Association of any claim, casualty or event referred to in FD&D Rule 9, Section 4 within six months after he has knowledge thereof,
- (b) fails to claim compensation from the Association within three years after having paid costs or expenses.

Where the Member's claim against the Association has not been extinguished earlier, his right to claim compensation shall be extinguished after ten years from the time of the casualty or other event. However, where final judgement or adjustment has to be awaited before a claim for compensation from the Association can be made, the claim shall not be extinguished until one year after such judgement or adjustment has acquired legal force.

Where the Association has called upon the Member in writing to submit his claim for decision in accordance with FD&D Rule 17 within a time not exceeding six months from the receipt of such request, and the Member fails to comply with the request, his rights to compensation from the Association shall be extinguished.

FD&D Rule 15 Payment by the Association

Payment to the Member of any sums due shall fully discharge the Association of its liabilities under these Rules unless otherwise agreed.

FD&D Rule 16 Forbearance

No act, omission, course of dealing, forbearance, delay or indulgence by the Association shall constitute a waiver of the Association's rights under these Rules.

FD&D Rule 17 Disputes

Disputes arising out of the contract of insurance shall be decided by a Swedish Average Adjuster or at the request of either party be referred to arbitration in Göteborg in accordance with Swedish law.

FD&D Rule 18 Omnibus Clause

The Association shall have the absolute discretion to compensate the Member for claims or for costs or expenses as referred to in the second paragraph of FD&D Rule 2 even where such compensation would not have followed under these Rules.

FD&D Rule 19 Period of insurance

The cover afforded by the Association as set out in these Rules is for events occurring during the period of insurance.

The period of insurance shall commence at the time and date stated in the policy of insurance issued by the Association and shall continue until 1200 hours UTC (Universal Time, Co-ordinated) on 20 February and thereafter from policy year to policy year unless terminated in accordance with these Rules.

The policy year begins at 1200 hours UTC on any 20 February and continues until the same time on the next following 20 February.

FD&D Rule 20 Premiums and deductibles

Premiums and deductibles for the policy year to come are decided annually by the Association.

The premium is due for payment in two instalments, half of the annual premium at inception on 20 February and half of the premium on 20 August.

Should the period of insurance commence during the current policy year, a pro rata premium shall be paid at the time when the period of insurance begins, for the period until the next 20 August or 20 February whichever date comes first. Thereafter the premium shall be paid as stated in the second paragraph.

FD&D Rule 21 Additional premiums

During or after the end of a policy year which has not been declared closed, the Association may levy one or more additional premiums for that policy year. Such additional premiums shall be calculated pro rata on the net premium debited for the policy year.

Unpaid additional premiums may be levied on other Members pro rata on the net premium debited for the policy year.

Should the Member's insurance be terminated, the Association may levy an estimated additional premium on the Member.

Additional premiums are due for payment on demand.

FD&D Rule 22 Right of lien for amounts due to the Association

The Association shall be entitled to a lien on the insured vessel, and any other insured vessels which are part of a fleet in accordance with FD&D Rule 28, for all premiums and any other amounts due to it under these Rules. Such lien shall be in addition to and in no way be construed as a waiver or amendment to, any other contractual or maritime lien which the Association may expressly or impliedly possess in respect of the said vessel or vessels. In order to exercise this right and notwithstanding FD&D Rule 17 the Association may take action and/or commence proceedings to enforce its right of lien in any jurisdiction in accordance with local law in such jurisdiction.

FD&D Rule 23 Termination

The period of insurance may be terminated by a written notice of termination from the Member to the Association or from the Association to the Member not later than 1200 hours UTC (Universal Time, Co-ordinated) on 20 January. Where such notice of termination has been given the period of insurance shall terminate at noon on 20 February next.

It shall be a condition precedent of the Members' right to recover costs and expenses and to receive legal advice from the Association that all premiums and other amounts due by the Member to the Association shall have been paid in full. Where the premium is not paid timeously, the Association shall not be liable and shall have the right to terminate the period of insurance on three days' written notice. Where the premium is paid before such termination, the Association shall be liable from the date of payment only.

Where the premium for an ensuing period is not paid without delay, the Association shall have the right either to serve a written reminder regarding the date of payment, whereupon the Association shall be relieved from liability after seven days, or to terminate the period of insurance on three days' written notice.

Where the period of insurance and/or the entry of a ship is terminated or has become terminated due to the non payment of premiums at a time when premiums or any other sums due to the Association are outstanding, it is agreed that the Association is entitled to a lien over the previously entered ship.

The Association may further terminate the period of insurance

- (a) with immediate effect upon notification, where the Member has wilfully caused or tried to cause a casualty,
- (b) on three days' notice, where the Member has failed to pay, when due and demanded, any sums other than premiums,
- (c) on seven days' notice, where the Member has failed to comply with regulations issued by the Association,
- (d) on fourteen days' notice, where the Member becomes bankrupt or otherwise insolvent,
- (e) on thirty days' notice, without giving any reason
- (f) on such notice as the Association may decide, where, in the opinion of the Association, the Member has exposed or may expose the Association to the risk of being or becoming subject to a sanction, prohibition or other adverse action under United Nations Resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or other significant state power.

Notice of termination of the P&I insurance of the entered ship shall be regarded as a notice of termination of this insurance.

FD&D Rule 24 Cesser

The Member shall cease to be insured by the Association

- (a) where the entered ship is posted at Lloyd's as missing or is missing for thirty days since last heard of, whichever is the earlier,
- (b) where the entered ship becomes a total loss or is accepted by the Hull insurance as being a constructive, compromised or arranged total loss, in which case the insurance shall cease at the time when total loss compensation is due from the Hull insurance,
- (c) where the entered ship is transferred to a new owner by sale or otherwise, in which case the insurance shall cease at the time of such transfer,

- (d) where the entered ship is requisitioned, in which case the insurance shall cease at the time of such requisition,
- (e) where the entered ship, with the knowledge of the Member, is being used to carry contraband or employed in an unlawful trade,
- (f) where the Member is in breach of FD&D Rule 9, Section 1 (a).

FD&D Rule 25 Effect of termination and cesser

Termination or cesser of the insurance shall have the following effect.

The Member shall remain liable for all premiums due for the current or previous policy years up to the date of termination or cessation but shall be entitled to a refund of premiums paid which refer to a period after that date.

The Association shall remain liable for all claims under these Rules in respect of events which occurred prior to the date of termination or cessation provided that premiums due shall have been paid.

FD&D Rule 26 Insurance premium tax

The Member shall be liable to pay any tax or other fiscal demand relating to premiums or other sums due under the insurance policy. In the event that the Association has become liable for any such tax or fiscal demand, the Member shall reimburse the Association on demand.

FD&D Rule 27 Joint members

The Association may allow several Members to be covered jointly (Joint Members) by the same insurance on the following conditions unless otherwise agreed.

The Joint Members shall be jointly and severally liable for all sums due to the Association.

The Association may fully discharge its obligations with regard to payment under these Rules by payment to any one of the Joint Members.

Any communication by the Association to any one of the Joint Members shall be deemed to be communicated to all. Failure by any one of the Joint Members to disclose material information shall be deemed to be the failure of all.

Any act or omission of any one of the Joint Members which causes the insurance to cease or which entitles the Association to terminate the insurance or to decline or reduce any compensation shall be deemed an act or omission of all of them.

The Association shall not be liable for any costs or expenses incurred in connection with any dispute or proceedings between the Joint Members or any of them.

FD&D Rule 28 Fleet entry

When the Member and the Association have agreed that the entered ship forms part of a fleet of ships insured by the Association, the Members of the fleet shall be jointly and severally liable for premiums or any other sums due to the Association in respect of any ship in the fleet.

Failure of any Member to pay premiums or other sums shall be deemed to be a failure of all the Members of the fleet and the Association shall be entitled to give notice of termination under FD&D Rule 23 and to set-off under FD&D Rule 12.
