

Cyber Marine Cover - Comprehensive Cyber Risk Insurance for Vessels

In an era where maritime operations are increasingly digital, the risk of cyber attacks poses a serious threat to vessels. The Swedish Club's Cyber Marine Cover is designed to provide robust protection against these evolving cyber risks, filling the gaps left by traditional Marine Insurance policies.

Protecting Against Digital Perils

Our Cyber Marine Cover safeguards your vessels against physical damages resulting from cyber attacks, a critical area often excluded in standard policies. This policy is a proactive step towards ensuring the safety and operational continuity of your maritime activities in the face of cyber threats. As a unique feature, it also provides assistance and support in situations when data systems have been breached.

Key Features

- Cover for vessel Physical Damage: Protects your assets against cyber risks excluded by other policies
- 24/7 Expert Support: Access to professional assistance for recovery and restoration when needed
- Emergency response services in the event of a cyber attack.
- Physical Damage Loss of Hire cover, mitigating the financial impact of operational downtime caused by cyber attacks
- Tailored Solutions: Possibility for comprehensive extensions to best suit your fleet's needs

Aligning with Industry Standards

The introduction of this cover is timely, considering the new IACS requirements for cyber resilience, as well as the IMO's continuing cyber security recommendations. By choosing Cyber Marine Cover, shipowners can demonstrate compliance with these regulations, which focus on critical aspects like protection, attack detection, response, and recovery.

A Tailored Approach for Diverse Needs

The Swedish Club recognises the unique requirements of different fleets. Therefore, we offer a range of coverage options, ensuring that every shipowner can find a solution that aligns with their specific operational needs and risk exposures.

The Swedish Club Marine Cyber Cover is offered in three different tiers:

Basic	Basic Plus	Comprehensive
Physical Damage Limit, Member Event/Aggregate USD 5,000,000/USD 5,000,000	Physical Damage Limit, Member Event/Aggregate USD 50,000,000/USD 50,000,000	Physical Damage Limit, Member Event/Aggregate USD 50,000,000/USD 50,000,000
Incident Response Limit, Member/Aggregate USD 500,000	Incident Response Limit, Member/Aggregate USD 2,000,000/USD 4,000,000	Incident Response Limit, Member/Aggregate Up to a max of USD 20,000,000
Loss of Hire: 5/60/180	Loss of Hire: 5/90/180	Loss of Hire: Up to a max of 5/180/180 and as per agreed

Insure your vessels against the invisible threats of the digital age. The Cyber Marine Cover provides the necessary defence mechanism, allowing you to navigate the digital waters with confidence and peace of mind.

For detailed coverage options and more information, please contact The Swedish Club's Underwriting Team.

Loss examples:

- A vessel's GPS co-ordinates are modified by a hacker attack, causing the vessel to run aground.
The ensuing H&M claim is rejected due to a Cyber exclusion in the policy. The Swedish Club's Cyber Marine Cover will cover the physical damage to the vessel up to the Cyber Physical Damage Limit.

- A crew member plugs in his personal computer into the vessels system LAN and spreads a malware code.
The breach is discovered with no physical damage having occurred. The Swedish Club's Cyber Marine Cover will provide assistance to mitigate, control and/or respond to an actual or suspected Security Compromise, including Data Restoration up to the Cyber Assistance Limit.
