NMIP 1.10.2025

A.1 FLEET CLAUSE

2013-10-03

It is understood and agreed that this vessel forms part of the fleet [see Policy] entered in this Association. It is rated as a member of that fleet and the Assured and Co-Assured shall be jointly and severally liable with all the other Assureds and Co-Assureds in the fleet for premiums, calls and other sums whatsoever due in respect of all vessels in the fleet.

Accordingly, any failure by an Assured and Co-Assured of any vessel in this fleet to pay his premiums, calls or any sums whatsoever due from him to the Association shall be deemed to be a failure also of the Assured and Co-Assured of this vessel to pay such premiums, calls or other sums whatsoever and shall entitle the Association to give him notice under the applicable insurance conditions and to offset any amount due to him under this insurance against any such unpaid premiums, calls and other sums, and to decide not to put up security in respect of claims under this insurance.

Notwithstanding the aforesaid, should the receiver of monies for claim(s) or other payments due be the Mortgagee(s) or any other Person(s) or Company(ies), which by a Letter of Undertaking and/or a Loss Payable Clause attached to the Policy are entitled to receive said monies, this clause shall be waived by the Association in respect of the rights of such aforesaid parties, however, the Association will retain its right to decide as to whether or not to put up security in respect of claims under this insurance.

To the extent the terms of this clause are in conflict with any other clause in this policy, the terms of this clause shall take precedence.

A.4 SWEDISH CLUB CLAIMS LEAD CLAUSE

2019-10-01

The Swedish Club ("The Club") shall have claims lead.

The Swedish Club has the right on a 100% basis of the claim, in all respects, irrespective of The Swedish Club's share of the risk, to decide any matter relating to any claim made under this Policy, including but not limited to any appointments of experts, lawyers, adjusters, decisions, agreements, payments, settlements, claims, surveys, guarantees, towage, salvage, payments on account and claim settlements.

This Claims Lead Clause must be incorporated in all policies, and Co-insurers must follow The Swedish Club's decisions in all respects as long as they are in accordance with the Policy conditions.

Further, The Swedish Club shall at all times have the right to appoint and employ their choice of experts including but not limited to surveyors, lawyers etc. on behalf of the Assured to deal with any matters involving third parties (including investigating or advising and taking or defending legal actions or other proceedings) that may give rise to a claim by the Assured on The Swedish Club.

If The Swedish Club provides for security on a 100% basis of a claim covered under the Policy, Co-insurers are required to put up counter security for their respective shares, as per The Swedish Club's instructions. For putting up such a security, The Swedish Club may claim a commission of 1% of the guarantee sum (for open guarantees, the commission shall be calculated on the basis of the effective gross liability). The Swedish Club has the subsequent discretionary right to request Co-insurers to put up amended securities.

In the event of The Swedish Club putting up security on a 100% basis for the liability of the Assured in consequence of a collision, striking and/or salvage, other underwriters on all policies are not allowed to effect settlement of claims in connection with the liability directly with the Assured, and cannot set off against The Swedish Club's counterclaims against the Assured.

The Swedish Club has the right to set off against any sums due to the Assured, unpaid Co-insurers' or other underwriters' share or shares of sums advanced and any and all sums incurred for provision of both claims and general technical services including entry and condition surveys, if any, to the Assured by the leader. Any and all sums incurred shall be understood to include sums incurred in respect of internal resources involved in technical services and claims handling as well as sums incurred for external resources appointed by The Swedish Club. Alternatively, The Swedish Club has the right to charge participating Co-insurers directly any and all such sums mentioned in this paragraph, but always limited to such co-insuring Underwriter's proportion hereon.

For costs, fees and/or expenses fronted by The Swedish Club on behalf of Co-insurers it is the Assured's obligation to recover any unpaid Co-insurers' or other underwriters' share or shares. Alternatively, The Swedish Club has the right to set off any such unpaid Co-insurers' or other underwriters' share or shares against any sums due to the Assured.

Should The Swedish Club at its own discretion decide to make ex gratia payments to the Assured, The Swedish Club may limit such payments to its share of the risk written under this Policy and such payments should in no respect be binding for any other Co-insurers or underwriters participating in this risk.

Notwithstanding any of the above, or any condition in this Policy to the contrary, the liability of all underwriters to the Assured shall remain several and nothing shall affect The Swedish Club's right to limit its liability to the Assured to the proportion of the risk which it has written and The Swedish Club shall in no way be liable to the Assured for any amounts due or agreed to be due but not recovered or recoverable from other underwriters or Co-insurers.
